

# PM6860C, PM6860CR

## SOCKET TESTERS

- Designed to test AC 230V Australian sockets in one easy step!
- Clear LED indication of 4 wiring errors including missing earth, live/earth reverse, live/neutral reverse, missing neutral
- PM6860CR: extra 30mA trip-out test of RCD
- Safety as per IEC1010-1 Cat.II 600V

### Technical specifications:

Voltage range: AC 220V~250V

Frequency: 50~60Hz

Tripping current: >30mA

Dimensions: 65x61x55mm

Weight: 52g approx.

Other models:

**PM6860B:** US plug

**PM6860D:** EURO plug

**PM6860E:** UK plug
